From the Principal’s Desk….  
Welcome back to all families to Term 4. I hope you all had an enjoyable holiday break.

Year 5 Leadership Day
It was a pleasure to welcome The Hon. Rob Stokes, Member for Pittwater to the school on Wednesday to talk with our Year 5 students.

Our Year 5 students will be our school leaders next year, and we will look to them as being the role models for all our students. As senior leaders they will set the example for the high standards of behaviour we expect at Narrabeen North.

Mr Stokes was invited to attend to discuss his views on leadership and his own personal experiences. He identified important qualities that we look for in a leader, and how the children are also leaders in our community.

Mr Stokes and I were both impressed with the speeches that we heard from the Year 5 students. They were articulate, confident and informative - identifying people from all walks of life who are inspiring.

Binishell Project
The binishells are a unique part of the school’s architecture. Nearly every visitor asks about their history and design. Built in 1974 the binishells were an innovative design by Italian Dante Bini.

Last term the school was fortunate to work with Zanny Begg, Lecturer Art and Design, University of NSW to create a short film ‘How to blow up a bubble that won’t burst’. A group of students learnt more about the buildings and experimented with inflatables, architecture and bubbles. The children also created some interview questions for the original designer who still resides in Italy.

The film will be shown as part of the Groundwork: From the archives Up exhibition.

Some further information is available at http://zannybegg.com/building-with-air/

Cyber Safety
Do you know how to keep your child safe online? Can you teach them to be safe digital citizens?

Keeping children safe in the online world is a particularly challenging task for parents in the 21st Century. The use of technology is forever changing and is fast paced. Having informed and regular conversations with children is extremely important. We want to keep them safe.

Narrabeen Sports High School is hosting a special event: Raising Responsible Digital Citizens. Please see the flyer with further details.

Working Bee
A reminder the P&C is organising a working bee on Saturday, 31 October to help improve our gardens and school grounds. We are seeking support from the community and would greatly appreciate any help you can provide on the day.

Please see the flyer in the newsletter for the full details.
