Well done!

Go Green Day
Over the past few months our Sustainability Team has been organising our ‘Go Green Day’ activities for all children K-6. It will be held on Wednesday, 29 July.

There are many great events planned, and the day focuses on building children’s understanding of environmental and sustainability concepts. As part of the day we will welcome visitors from the Coastal Environment Centre, Field of Mars, Sydney Wildlife Rescue and Bunnings. Years 5 and 6 students will hear from two inspirational young speakers who are leading the cause to protect the orangutans.

All children should wear their sport uniform. K-2 children are asked to bring a gold coin donation to help support Sydney Wildlife Rescue.

Eco Warriors
Some of our keen Eco Warriors were recently very busy planting coastal rosemary and lilly pilly shrubs. Over the next few months our little gardeners will watch them grow and care for their needs.

Thank you to Levi Rumler for donating the plants.

NAIDOC Week Art Work
At the end of last term, art work from our students was selected to be displayed as part of the Peninsula Community of Schools (PCS) NAIDOC Week Art Show.

The selected student art works are now on display inside our RFF building, near the lost property.

Education Week
Next week is Education Week where schools across NSW celebrate the achievements of students in public education. Regular events include an open day where parents and family visit the school. This year, we will be holding our open day in Week 7.

Annual Dance Concert – ‘A Night in the Library’!
The Narrabeen North dancing stars and storytellers are all in mega rehearsals to ensure you have a night or day to remember. All classes have distributed information regarding costumes and we appreciate your assistance and support in ensuring students look the part! Once again there will be two programs, concert ‘A’ matinee and evening performance (Wednesday, 19 August) and concert ‘B’ matinee and evening performance (Thursday, 20 August). Information regarding the classes performing at each concert and ticket purchases is provided in this newsletter. A note concerning the logistics of times, meeting points and holding rooms will be sent home closer to the dates.

Premier’s Spelling Bee
It’s back!!! Thanks to Miss Town for coordinating this program and good luck to our super spellers. We will be practicing in class and all students will have access to a copy of the words. Finals will be held towards the end of term (dates to be advised).

School and Zone Athletics Carnival
On Wednesday before school the girl’s junior high jump event was completed at Narrabeen Sports High. Thanks to NSHS for assisting and also to Mr Brown and Mr Bowden for running the event in my absence. Weather permitting; ribbons for track events for students in years 3 -6 will be presented at the assembly on Friday. Field events will be presented at the assembly on Friday assembly in week 4, yet again weather permitting. Notes regarding the Pittwater Zone Athletics Carnival will be distributed to the students who have made our zone team in coming weeks. The zone carnival will be held at the Sydney Academy of Sport on Tuesday, 25 August. Field events begin at 8.00am and track events begin at 9.00am. Parents are responsible for transporting competitors to and from the carnival.

PSSA Update
To keep up-to-date with PSSA information, draws and cancellations of games please download the Pittwater Zone App. Details were included in last week’s newsletter and are available on the website.

Waves for Water
In coming weeks the SRC will be educating our students about the need for water filters in developing nations and the Waves for Water Campaign. The Waves for Water foundation’s mission is simple: Get clean water to every single person who needs it. And that’s exactly what they are doing. Past NNPSS student and professional surfer Cooper Chapman is a supporter of the program working closely with Winter Vincent, a young surfer from Manly. Cooper approached NNPSS asking if we could join them in raising donations for communities in need of clean water in the Mentawai Islands. As a culmination to our learning and efforts we will be holding a Boardies and Beach mufti day on Friday, 28 August. Cooper and Winter will visit on this day and share stories about the difference we can make to others and the importance of global citizenship. It will be a great way to conclude our Education Week celebrations. Stay tuned for further updates from the SRC and our student ambassador – Emerson R from 6D.

SCHOOL PHOTOS
Wednesday, 12 August
Envelopes and information on school photos went home last week to all students. If you would like to purchase these photos please return the envelope to your class teacher as soon as possible. The order form for sibling photos (yellow envelope) can be obtained from the office.

SIBLING ENROLMENT FORMS
All sibling enrolment forms have now gone home. We ask that these forms with the accompanying paperwork be returned to the school as soon as possible. If you have a child you wish to send to school in 2016 and you have not received an enrolment form, please contact the office.

Go Green Day 2015
On Wednesday, 29 July Narrabeen North Public School will hold our biannual Go Green Day. This day focuses on sustainability and environmental education activities. This year our focus is on habitat. We have many community groups involved such as the Coastal Environment Centre, The Field of Mars, Bunnings, Kimbriki and Sydney Wildlife Rescue.

The students will be involved in activities such as building possum boxes, bird boxes and insect hotels as well as planting trees and native grasses.

Apart from these activities, Stage 3 will have a special presentation on ‘Tears in the Jungle’. ‘Tears in the Jungle’ is a book about the plight of the orangutan and the amazing work of two young Australian boys to help save this magnificent animal. Sydney Wildlife Rescue will visit K-2 classes and bring along rescued native animals. As this is a volunteer organisation, we ask that each student in K-2 brings along a gold coin as a donation.

Please remember to be waste free on this day.

Students are to wear their SPORT UNIFORM please.

Thank you
Mrs Mulkeen and the Sustainability Team

Surfboard Needed!

This year Narrabeen North Public School will once again take part in the World’s Biggest Classroom exhibition at Warringah Mall. This year’s activity is to create our own themed artwork on a surfboard. If you or your neighbours have an old surfboard that you could donate to the school, we would be grateful. Please contact the office if you are able to assist.

GO GREEN DAY

Wednesday, 29 July
Waste Free Recess and Lunch!
No Litter!
Wear sport uniform.

Ever wondered what happens at a P&C meeting?
Stop wondering and come along… The scones are amazing!

Wednesday, 29 July at 7:30pm in the big dome.
Drive in the gates (Namona St) and park in the teacher car park.

Don’t wait for the changes you would like to see ... come to the meetings and help make them happen! We have a very friendly and supportive P&C. Please come along for a cuppa, make some new friends and find out what is happening at our school. You can volunteer if the right opportunity arises for you!

The P&C is a group of volunteers who want to support the learning and happiness of all children at Narrabeen North PS. The P&C is you … the parents, carers, citizens and staff linked to our wonderful Public School.

We are very lucky to have a strong parent community who are actively involved in school activities, fundraising initiatives and volunteer groups. But we are always looking for new volunteers to help us.

Through fundraising and social activities the P&C raises funds to support programs for the maintenance and improvement of the school, sporting needs and for obtaining educational resources.

Please come along to our next meeting.
Wednesday, 29 July - 7.30 pm kickoff

P&C President

Mathematics
Mathletics is a fun and interactive way for students to practise maths. Class teachers use this in class to introduce topics in an engaging way, and they also set tasks on Mathletics to be completed at home. These tasks relate to the concepts being taught in class and are set to consolidate the learning that has taken place. The activities are also often differentiated to cater for a range of learning needs in each class.

The team at Mathletics have identified the top three performing students at NNPS in relation to results and the amount of activities completed. These three students are:

Rio Wong
Luca Macdonald
Xavier Tosi

Congratulations to these students for achieving top maths results so far in 2015!

Well done to all students who complete their weekly Mathletics tasks and enjoy playing Live Mathletics.

LOWES is renovating in Warriewood

Around August 10, Lowes will temporarily move into a shop next to the Post Office while theirs is renovated.

They will be in that location for 2 weeks, it will be a bit cramped but they will endeavour to prioritise uniform requirements.
**Our school canteen still really needs you!**

Thanks to all those who have already offered to help.

We still have some gaps to fill!

Below is the Term 3 roster so far - if you can help on any of these days, please text/call Sherene on **0427 174 472**

Thanks - the P&C
