Front Office Staff
This week our Administrative Manager Mrs Debbie Austin went on long service leave until Term 4 Week 2. Mrs Gail Bateman will be the relieving Administrative Manager during this time. Mrs Atkins and Mrs Holmes will continue their roles in the office.

I would like to welcome Josie Larosa, Susan Brooks and Kirsten Zeelie to our staff as they will be assisting parents with enquiries in the front office.

SAS Week
We are very fortunate at Narrabeen North to have additional staff that assist in making our school run so efficiently, and who also support the learning of students. This week we recognise our School Administrative and Support (SAS) Staff that work in the office, in classrooms and in our school grounds.

The wonderful ladies in the office help parents and visitors with many different enquiries. They are very approachable and regularly offer assistance.

The school learning support officers help teachers in classrooms and support students with additional learning needs.

Our general assistant keeps our grounds looking clean and tidy and helps with maintenance tasks.

Our SAS staff includes:
Administrative Manager: Debbie Austin
Administrative Officers: Gail Bateman, Gail Holmes and Sandra Atkins
School Learning Support Officers: Joy Drury, Karen Green, Bec Sexton and Leanne Antico
General Assistant: Tony Cosentino

On behalf of the Narrabeen North community I’d like to acknowledge and thank these people for their many contributions to our fantastic school!

Canteen - Thank You!
Our canteen is coordinated by our P&C and is open five days a week, providing a valuable service for parents and children. It is regularly used for over the counters purchases and those made online.

Have you recently looked at the menu? It has very healthy options and a wide range of products.

This term the canteen roster has been published each week in the newsletter to try and highlight the times we needed parent volunteers to help provide this service to children.

The publishing of the roster has been a great success with a significant increase in volunteers! Thank you!

The Term Four roster will be coming out shortly and any assistance would be appreciated. Please contact Sherene if you can help.

Opera House Choir
Congratulations to our choir students who sang on Monday night at the Opera House. They performed as

part of a mass combined choir in the Arts Alive Concert.

After many months of rehearsals, the choir performed ten songs on the evening. They sounded beautiful! Well done to all children.

Thank you to Miss McIntyre and Miss Town for their effort and for providing the children with the opportunity to sing.

Science Festival
This week a group of our scientists participated in the Peninsula Community of Schools (PCS) Science Fair.

The theme for this year was “You light up my world” which investigated the concepts of light and electricity.

Congratulations to our students who created a learning station on electricity. Building their own experiments the children spoke informatively about conductors, insulators and types of circuits. They presented confidently to other PCS students, demonstrating a very good understanding of their experiments.

Thank you to Mrs Mulkeen who coordinated our involvement and supported the students.

Father's Day Stall
The children were getting in early last Friday purchasing their Father’s Day gifts. Thank you to our parent volunteers, led by Nicole Amundsen, who arranged the gifts and coordinated the stall.

I wish all our Dads a great Father’s Day on Sunday. Enjoy the day with your families!

Children Leaving or Returning Late in 2016
At this time of year we start to plan arrangements for 2016. It is very important that the school is able to confirm the accurate number of student enrolments as this impacts on the number of classes for the following year.

If your child is leaving Narrabeen North at the end of 2015 or will be returning late after the school commencement date in 2016, could you please complete the form included in this newsletter and return to the office.

Walkathon
Wednesday, 9 September
11.20am-1.00pm

Next Wednesday is the annual walkathon. The students have been very excited about getting sponsors for their event. Keep collecting as much as you can. All envelopes are due back to the school on Monday please.

We are still in need of some volunteers to help out along the course. Can you please let me know as soon as possible if you are able to do this.

Parents and young siblings are welcome to join in on our walk by walking with your child/ren. The course is stroller friendly and an easy flat walk.

I would like to take this opportunity to thank Warriewood Square shopping centre and Peter Semos for their kind donation of prizes to help make our walkathon be as successful as it can be. The students at Narrabeen North thank you.

Also a reminder that all children are to wear their sports uniform. Thank you.

Deputy Principal

Stage 2 Excursion
Next week Stage 2 will be going to Manly for a historical walking tour on Tuesday, 8 September (Year 4) and Thursday, 10 September (Year 3), as part of our HSE unit of work on British Colonisation.

Students must wear sports uniform and bring a small bag with their recess, lunch, water bottle and hat. In the case of rainy weather, all students will need a raincoat.

This excursion was listed on the Term 3 account. If you have not yet signed and returned this note and made payment of $22, please do so as soon as possible.

We are looking forward to a fun and informative excursion!

The Chalkboard
**NNPS Opera House Choir**

Congratulations to the NNPS Opera House Choir who performed on Monday evening at the Opera House. The Arts Alive Primary Choral Concert showcases the musical talents of students from a variety of Public Schools in NSW. Our choir performed as part of a mass choir of 750 primary students. These students have shown commitment, hard work, and skill since we began rehearsing the repertoire of ten songs in March. Not only have they spent weekly lunch times rehearsing, they have also spent much of their own time learning the music.

Imogen, Jasmine, Kasey, Indiana, Alicia, Tenzin, Summer, Annabelle, Sienna, Phoebe, Aurora, Zara, Emily, Bridgette, Evie, Eliza, Jonquil, Anna, Gabi and Poppy. Miss Town and I are extremely proud of your work throughout the year, your amazing performance and the way in which you represented Narrabeen North Public School. We hope that you enjoyed the experience of performing in such a significant venue, and will remember it fondly.

**PCS Science Fair 2015**

Congratulations to our wonderful PCS scientists Mia V, Jake M, Beau R, Caleb G, Sol P, Ben F, Ethan G and Hayley C. These budding scientists have been working all term giving up their lunch hour to prepare for yesterday’s wonderful PCS Science fair.

The fair was a great success. The students prepared a fantastic presentation on the many ways to power a light bulb. They were wonderful Narrabeen North representatives, presenting an engaging science demonstration for other students to enjoy. I was very proud of their work and exemplary behaviour.

Special thanks to Miss Russell for her wonderful light bulb cookies which were a great hit with all the students.

**Science Day**

Seven NNPS students in Years 3-6 were at Narrabeen Sports High School on Wednesday, 2 September presenting four sensational science projects that involved light for the Waves of Light Science Day.

On that same day there were many amazing schools from the Northern Beaches area that were doing the same thing. All of the participants got to view two special presentations, one from an astronomer from Macquarie University and after the second session another scientist came in as well. All the presenters were fabulous and so were all their experiments. The day overall was such a great experience and I hope to do it next year.

**Leaving the school in 2015?**

Dear Parents and Caregivers,

The first day of school for most students next year will be Thursday 28 January 2016. New Kindergarten students will be informed by letter of their starting date.

It is vital that we know if your child/children will **NOT be returning to Narrabeen North** or will be **returning late** next year. Some families take extended holidays in January/February and we need to know your return date so that your enrolment can be counted. This information will enable the school to plan for staffing and classing needs.
